

**ElectroTreat™**

**Z-Series™ UltraShok  
Vehicle Treatment  
Pod**

Z-Series™ UltraShok Vehicle Treatment Pod quickly creates chlorine dioxide gas for intense air cleaning. Removes odors caused by human or animal waste, cigarette smoke, water damage, and putrefaction. Single Pod will produce 10 – 50 ppmv in typical vehicle cabin space.

**Treatment complete in less than 1 hour!**

**PRODUCT STORAGE  
& HANDLING**

Use: Turn on air conditioning unit and set to air flow to max recirculation. Activate Pod and place or hang in vehicle near air vent. Do not remain in vehicle with activated capsule. Allow dwell times of 1 hour or more. Do not apply product in direct sunlight. Open doors to allow fresh air ventilation for a minimum of 15 minutes prior to re-entry.

Store product in cool dry area. Do not open. Do not eat package material contents. Inhaling fumes may cause respiratory irritation. In case of skin or eye contact, flush well with water; avoid ignition sources, heat and water.

**Caution:** Avoid breathing ClO<sub>2</sub> vapors. Avoid contact with eyes.
